Launching: available at Braitto's Buckingham Marina (free) and Boren Bega (fee). Braitto's launch facility has been improved this year for our race.

NOTE: Mapquest (& others?) frequently route folks via 175 into Lake Co., touting it as the shortest route. Mileage-wise it may be shorter, but it is VERY curvy and difficult in a car—you don't want to be towing on this mountain road. (Both "segments" of 175 are this way.) Take the "longer" routes: Stay on Hwys 20, 29, & 53.

At Kit's Corner, turn onto Soda Bay Rd. Go approx. 7m, right onto Crystal Drive. Continue down hill to stop sign. Go across open area taking right fork (Eastlake Dr) up hill. Go to end of Eastlake into Braitto's. Race Hdq is at Tiki Hut straight ahead.

← IMPORTANT →

Lake County has updated its requirements for the Invasive Species Program. It is now required that all out-of-county boats be inspected by a Certified Inspector prior to launch in Clear Lake with a sticker issued to the owner/skipper. The program is enforced by the Sheriff's Department. Braito's Marina is Certified and at race headquarters. Participating boats may inspect and launch there and are encouraged to do so. ALLOW SUFFICIENT TIME FOR THIS PROCESS to avoid late arrival to the start of the race. Please provide an email address above to receive updates and alternatives to this process.

For inspection, boat must be clean & DRY (no bilge water).

For full details and link to County website on this, refer to www.kbsail.com

Penalty is a \$1,000 fine for non-compliance.

Assumption of All Risks, Waiver, and Release

I know that Yacht Racing carries risks. In return for permitting me to participate in this event, I, on behalf of myself and anyone who could make a claim if I am hurt or killed, hereby accept and assume all such risks. I also hereby waive and release the Konocti Bay Sailing Club and all other persons or organizations involved in this event (collectively the Hosts) from any liability for any claims of any kind, for any reason, arising out of, or in any way connected to my participation in this event.

I also certify that the rating information included with this application accurately reflects the racing condition in which my boat will race in this event.

I have an operating VHF radio for the race.
